## Boxing Matches Delight Crowd

Some of the snappiest boxing bouts ever staged in Torrance pleased a large crowd of fans who gathered at the old Legion hall on Border avenue Monday night for the opening show under the auspices of the Torrance Athletic club.

The main event between Joe Snyder and Al Gaster at 145 was won by Snyder. The judges gave Gaster the second round.

The semi-windup was the feature scrap on the card. Kid Spart lost to Able Miller. Both boys showed marked aggressiveness which kept the fans excited from bell to bell. Fighting at 130 pounds Ben Clemons and Frankie Jones weren't so good and the referee drove them out of the ring.

In an extra bout Frankie Hersh knocked out Lucky Baldwin in the first round. This bout was put on because Leonard Romming had administered a sleeping potion to Kid Russell in the first round of the curtain raiser and the promoters wanted to give the fans a run for their money.

Ritchie Thomas had an easy time winning from Frankie Herman at 126 pounds.

In a fast slugging match, in which the boys stood toe and toe and traded wallops Heinie Rudem beat Peter Penna.

The next show will be staged next Monday night and if the satisfaction of the fans with the opening is any criterion the house will be jammed.

## National Supply Wins First Game in League Season

The opening game of the Torrance Industrial Soft Ball League, played at the high school grounds Monday evening brought together Murphy's Comedians from the National Supply Co., last year's champions and Harry Pierce's Pacific Electric Colts. A fast, snappy game was the result, with the National boys noing out a well earned victory by the score of 10 to 4.

Atwood was in fine form on the mound for the winners, whose play was also featured by the hitting of Watson, their big catcher, who collected two doubles and a home run, and also stole third base.

Yellowave at second looked best for the losers, he on three different occasions robbing Ted Troost of almost sure hits by his ground covering ability. Merritt of the losers also hit for the circuit.

Tuesday night the Petroleum Securities won from the Shell Four Hundreds by a score of 15 to 9. Tonight the Standard Oil team will meet the Shell Oil of Lomita.

The schedule for the coming week follows: Monday, National Supply vs. Standard Oil; Tuesday, Shell 400 vs. P. E.; Wednesday, Petroleum Securities vs. Shell of Lomita. Thursday's game is still open. The complete schedule for the season will be published next week.

## Brotherhood Will Meet on June 18th

The Methodist Brotherhood meeting will not be until June 18. G. A. Morris is planning a great program. Pacific Palisades Chorus and a great speaker will bring to the church, and the city another high class evening program. See Mr. Morris and Mr. Hall for tickets, or call 78-J.

## HAD THE PROOF

CHAS. VONDERAHE was FISHING at Deep Creek last week, as a LOT of you KNOW, and you ALSO know how fast fish can GROW after they have been CAUGHT and the FISHER gets back to TELL everybody just DIVIDES your stories by TWO the first week you are BACK and by FOUR the second week and by EIGHT the third week they don't even believe you EVER went fishing at ALL. But Chas. had the PROOF this time for he took along a

KODAK from our STORE and he brought back a FINE bunch of PICTURES of EVERYTHING except the one that GOT AWAY, and at last reports THAT one was still GROWING.

Moral: A one-armed man can fish but he can't tell about it with any satisfaction.
